PH.D. IN OCCUPATION AND REHABILITATION SCIENCE

Effective Fall 2022

Ph.D. course requirements include a minimum of 72 credits for each of three entry routes:

Entry A: For students enrolled in the continuous Master's/Ph.D. degree program in occupational therapy at CSU, 18 credits of the CSU M.S. degree in Occupational Therapy will apply toward partial fulfillment of the required 72 credits.

Entry B: For students who submit a previously earned Master's degree, up to 30 credits may be accepted toward partial fulfillment of the required 72 credits. All potential credits accepted toward partial fulfillment of the requirements below must be approved by the student's graduate committee, the Department of Occupational Therapy, and the Graduate School.

Entry C: For students who do not submit a Master's degree in partial fulfillment of the required 72 credits, up to 10 credits earned after the bachelor's degree maybe accepted for transfer. Only courses taken at a 500-level or higher will be considered. All potential credits accepted toward partial fulfillment of the requirements below must be approved by the student's graduate committee, the Department of Occupational Therapy, and the Graduate School.
