(970) 491-6471
biz.colostate.edu (http://biz.colostate.edu)

Professor Beth Walker, Dean
Professor Ken Manning, Associate Dean
Professor Paul Mallette, Associate Dean
Professor Sanjay Ramchander, Associate Dean

Undergraduate Programs

The College of Business is accredited by the AACSB, the Association to Advance Collegiate Schools of Business. The undergraduate programs of study provide functional business education in Accounting, Finance, Financial Planning, Information Systems, Marketing, Organization and Innovation Management, Human Resource Management, Supply Chain Management, and Real Estate. The skills acquired help prepare students for entry-level positions in a wide range of both private and public enterprises and provide a solid foundation for further academic study. The program follows a philosophy of linking theory with practical application.

Education Abroad

Education abroad programs are available to students in the College of Business. Because the knowledge of other cultures is valuable in understanding our own, students are strongly encouraged to take a summer or semester to study, intern, or complete a service learning program outside the United States as part of their overall program at CSU. Students interested in education abroad should plan far in advance by discussing opportunities with their academic advisor and by visiting the Office of International Programs (http://international.colostate.edu) in Laurel Hall.

Graduate Programs

The College of Business is accredited by the AACSB, the Association to Advance Collegiate Schools of Business. Graduate Programs offers a Master of Business Administration degree and three MBA specializations: Global Social and Sustainable Enterprise, Impact, and Marketing Data Analytics. Graduate Programs also offer a Master of Accountancy (M.Acc.) (http://catalog.colostate.edu/general-catalog/colleges/business/accounting/#graduatetext), Master of Computer Information Systems (M.C.I.S.), and Master of Finance (MFIN). The college also offers multiple platforms for the M.B.A.: on-campus/evening M.B.A., an online M.B.A., and a blended (online/face-to-face) Executive M.B.A. taught in Denver. In addition to the degree programs, several certificates are offered by Graduate Programs and allow students to delve deeper into specific content areas.
