

MAJOR IN MUSIC (B.M.), PERFORMANCE CONCENTRATION, VOICE OPTION

Please refer to the main Bachelor of Music, Music Performance Concentration page for the performance concentration overview.

Voice Option

The Bachelor of Music, Performance Concentration, Voice Option is a professional degree program that provides students with excellent opportunities for vocal, artistic and personal growth. Each member of the voice faculty provides a nurturing, yet challenging studio environment. The emphasis of process over product allows students to develop a solid platform of vocal technique for realizing their personal artistry.

All voice students study with a highly qualified and experienced faculty of professors of voice. In addition to a seminar for freshman voice majors that supports their transition to collegiate study, voice majors spend the Fall semester of their Freshman year by participating in individual lesson rotations with each of the voice faculty. In their second semester of study, voice majors are placed with a single teacher for the remainder of their degree program to further promote personalized and engaged care for the student throughout their study at CSU.

Voice students have the opportunity to perform in a variety of styles and formats, as both soloists and ensemble members of choirs, opera and musical theater productions, as well as chamber music collaborations. Voice students perform a jury each semester and sing on voice area and departmental recitals throughout the year.

Music Audition

In addition to applying to CSU through the Office of Admissions, a successful audition with CSU Music faculty is required for entrance into the B.M., Performance Concentration. Please visit the music website for Music Audition Information (<https://music.colostate.edu/admissions/undergrad-apply/>).

Music Program Fee

A music program fee is assessed with undergraduate and graduate music majors and minors, per semester. The fee does not apply to the following students: online degree students, summers-only master's degree students, music therapy students in an internship off-campus, music education students who are student teaching off-campus, and music minors who are not actively enrolled in any lessons or ensembles. Please visit the (<https://provost.colostate.edu/students/>)Office of the Provost and Executive Vice President for special course fees.
