Professional Development and Engagement Requirement

The timeline to complete the Professional Development and Engagement may vary. Suggested completion of summer coursework (NR 220 and some department-approved study abroad programs) may occur between sophomore and junior years or between junior and senior years. ESS 487 has a prerequisite of ESS 320, so should be completed after junior year. ESS 220/ESS 221/ESS 298 may be completed during the academic year, ideally during junior or senior year, thus moving elective credits to freshman and sophomore years.
