DEPARTMENT OF MICROBIOLOGY, IMMUNOLOGY, AND PATHOLOGY

Office in Pathology Building, Room 110
(970) 491-6144
cvmbs.colostate.edu/academics/mip/ (http://cvmbs.colostate.edu/academics/mip/pages/default.aspx)

Professor Gregg Dean, Department Head
Professor Mark Zabel, Associate Head for Graduate Education
Associate Professor Jennifer McLean, Associate Head for Undergraduate Education
Associate Professor Kristy Pabilonia, Associate Head for DVM and Clinical Service
Professor Jeff Wilusz, Associate Head for Research
Associate Professor Brian Geiss, Program Coordinator, Plan B Master’s Degree Program

Undergraduate
Major
• Major in Microbiology

Minor
• Minor in Microbiology

Graduate
Graduate Programs in Microbiology, Immunology and Pathology

The department offers graduate programs leading to Master of Science, Doctor of Philosophy, and combined Doctor of Veterinary Medicine/Doctor of Philosophy degrees. Students interested in graduate work should refer to the Graduate and Professional Bulletin and the Department of Microbiology, Immunology and Pathology (http://cvmbs.colostate.edu/academics/mip/graduate/Pages/default.aspx).

The research programs in the department provide excellent opportunities for graduate training in fundamentals of modern investigative microbiology, immunology, and pathobiology. An emphasis is placed on a multi-disciplinary approach to research problems. Areas of research strength in the department include bacteriology, immunology, mycobacterial diseases, prion biology, vector borne infectious diseases, and virology. Please visit the Department of Microbiology (http://cvmbs.colostate.edu/academics/mip/graduate/Pages/Microbiology-MS-and-PhD-Program.aspx) for more information.

Master’s Programs
• Master of Science in Microbiology, Plan A*
• Master of Science in Microbiology, Plan B

Ph.D.
• Ph.D. in Microbiology*
• Ph.D. in Pathology*

* Please see department for program of study.

Courses
Microbiology, Immunology, and Pathology (MIP)
