CONTINUING EDUCATION/CSU ONLINE

Colorado State University Online offers selected undergraduate degrees, graduate degrees, graduate certificates, professional development training, and hundreds of courses that connect students to campus and CSU's renowned faculty, research, and curricula. CSU's online students receive the same education, learn from the same faculty, and earn the same regionally accredited degree(s) as students on campus.

Through CSU Online, more than 10,000 students each year, including thousands of students pursuing their degrees on campus, take online courses to gain a world-class education on a schedule that fits their lives. Learn more about CSU's online, distance, hybrid, and off-campus programs.
