Undergraduate

Good Standing - Minimum Cumulative GPA

In order to graduate, a minimum cumulative grade point average (CUM GPA) of 2.000 on a 4.000 scale is required at CSU. All grades earned in regular credit courses, including those taken through CSU Online (https://www.online.colostate.edu/) or the CSU Summer Session (https://summer.colostate.edu/), will count toward the CUM GPA. For students who have been granted a Fresh Start, all grades earned prior to the Fresh Start will not count toward the student’s CUM GPA.

Academic Probation

Students with a CUM GPA lower than a 2.000 will begin the probation process for one or two regular semesters (fall and spring). Grades earned in regular credit courses through the Division of Continuing Education or the CSU summer session will count toward the CUM GPA regardless of when those classes are taken. At any time that the CUM GPA is raised to a 2.000 or higher, the student will return to good academic standing.

Students who withdraw from all CSU courses during the semester or attend another institution will continue in the probation process when they return. Note that transfer credit grades are not computed within the CUM GPA earned at CSU, so these grades can not improve the CSU GPA.

Academic Dismissal

Students in the academic probation process who do not raise their CUM GPA to a 2.000 or higher after two regular semesters (fall and spring) will be dismissed from CSU. Exceptions to this policy for first-term, undergraduate, non-transfer students are outlined below (under Update to the Scholastic Standards Policy, June 2016). Students who have been academically dismissed from CSU have three options to seek readmission.

First, they may take classes through the GUEST program, through the CSU Summer Session, or through the Division of Continuing Education. They can return to CSU when their CUM GPA is 2.000 or higher.

The second option available to students who have been academically dismissed is to enroll at another regionally accredited institution and meet the requirements to be admitted as a transfer student to CSU. Upon transferring back to CSU, students will have two semesters following re-enrollment to raise their CUM GPA earned at CSU to 2.000 or higher. Transfer credits are not computed within the CUM GPA earned at CSU. Students who have raised the CUM GPA to 2.000 or higher or who apply as students transferring from another institution may apply for readmission to the University.

A third option is to return to CSU through the Fresh Start Process (see information below).

Appeal of Academic Dismissal

Students may appeal academic dismissal (https://secure.studentachievement.colostate.edu/DismissalAppeals/DismissalAppealGuidelines.aspx). An online appeal may be submitted for consideration by the Faculty Council Committee on Scholastic Standards. All appeals must be submitted in accordance with written instructions.

All appeals of academic dismissal will be acted upon by the Faculty Council Committee on Scholastic Standards no later than seven business days prior to the first day of classes for the next regular academic semester (either fall or spring).

A dismissal appeal that is granted allows the student to return immediately for the next regular semester (fall or spring). Dismissal appeals granted cannot carry forward to a future semester unless the student was approved (prior to dismissal) for a planned leave for the next regular semester. If a student withdraws during the dismissal appeal granted semester due to extenuating circumstances, the student must submit another appeal to dismissal that includes documentation of the extenuating circumstances or the student will be dismissed at the end of the dismissal appeal granted semester.

Update to the Scholastic Standards Policy, June 2016

Undergraduate (non-transfer) students who earn a GPA of less than 1.000 in their first semester at CSU will not have 3 semesters in which to earn a cumulative 2.000 GPA, and must make a choice:

• Take 1 – 3 semesters off, reapply and return with a Freshman Accelerated Fresh Start (see below)
• Continue attending the following semester and earn at least a term GPA of 2.000 GPA on 12 or more credits and receive a third semester on probation; or earn less than a 2.000 term GPA and be academically dismissed.

Freshman Accelerated Fresh Start (Faculty Council approved minutes April 5, 2016)

The Freshman Accelerated Fresh Start opportunity is available for first-time first-year students who finish their first semester at CSU with a GPA below 1.000.

1. Students who meet these criteria will have the following option:

• Leave the University for 1 – 3 semesters (the summer session is not included in this count)
• Reapply/return to CSU and begin earning a new cumulative GPA (first semester grades remain on the student’s transcript but will not be calculated in their cumulative GPA)
• Student can complete the returning student admission process (Details online at Office of Admissions (http://admissions.colostate.edu/apply/returning/))

2. Students are eligible for only one Fresh Start opportunity (regardless of whether it is a Freshman Accelerated Fresh Start or a standard academic Fresh Start)

Academic Fresh Start

Former CSU undergraduate students may apply for an academic Fresh Start, a policy which allows students to establish a new academic record. A student may be granted a Fresh Start only once.

An academic Fresh Start may be granted after at least two years have elapsed since the student’s last term of enrollment as an admitted, degree-seeking student, regardless of the number of credits taken. If a student receives a Fresh Start, they must successfully complete at least
students must meet the following academic excellence in their undergraduate programs. To be eligible to those students in each college who have achieved unusually high degree "Cum Laude," "Magna Cum Laude," and "Summa Cum Laude"

CSU recognizes outstanding scholarship by granting the baccalaureate degree "Cum Laude," "Magna Cum Laude," and "Summa Cum Laude" to those students in each college who have achieved unusually high academic excellence in their undergraduate programs. To be eligible for graduation with distinction, students must meet the following requirements:

- Minimum grade point average required for graduation with distinction and
The University Honors Scholar designation appears on diplomas and transcripts.

**Graduate**

Graduate students must maintain a 3.000 GPA to be in good standing with the University. Learn more in the Graduate and Professional Bulletin (http://catalog.colostate.edu/general-catalog/graduate-bulletin/graduate-study/procedures-requirements-all-degrees/#scholastic-standards).
