DEPARTMENT OF ANIMAL SCIENCES

Undergraduate Majors

• Major in Animal Science (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/animal-sciences/animal-science-major/)

• Major in Equine Science (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/animal-sciences/equine-science-major/)

Certificates

• Certificate in Animal Nutrition (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/animal-sciences/certificate-animal-nutrition/) (No new students are being admitted to this certificate.)

• Certificate in Beef Feedlot Management (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/animal-sciences/certificate-beef-feedlot-management/) (No new students are being admitted to this certificate.)

• Certificate in Beef Production Systems (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/animal-sciences/certificate-beef-production-systems/) (No new students are being admitted to this certificate.)

• Certificate in Meat Science (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/animal-sciences/certificate-meat-science/) (No new students are being admitted to this certificate.)

Pre-professional Veterinary Medicine Requirements

Pre-veterinary medical students with specific interest in animal science or equine science may follow either the Animal Science or Equine Science major. Maximum flexibility in career direction may be obtained by meeting the requirements for a degree in animal or equine science while simultaneously completing the admission requirements for the professional veterinary medical program. The Food Animal Veterinary Career Incentive Program (FAVCIP) is available for Animal Science majors.
