

DEPARTMENT OF SOIL AND CROP SCIENCES

Undergraduate Majors

- Major in Soil and Crop Sciences (<http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major/>)
 - Plant Biotechnology Concentration (<http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-plant-biotechnology-concentration/>)
 - Soil Science and Environmental Solutions Concentration (<http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-science-environmental-solutions-concentration/>)
 - Sustainable Agricultural Management Concentration (<http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-sustainable-agricultural-management-concentration/>)
 - Agronomic Production Management Concentration (<http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-agronomic-production-management-concentration/>) (No new students are being admitted into this concentration)
 - Applied Information Technology Concentration (<http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-applied-information-technology-concentration/>) (No new students are being admitted into this concentration)
 - International Soil and Crop Sciences Concentration (<http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-international-concentration/>) (No new students are being admitted into this concentration)
 - Plant Biotechnology, Genetics, and Breeding Concentration (<http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-plant-biotechnology-genetics-breeding-concentration/>) (No new students are being admitted into this concentration. Students interested in this area of study should visit the Plant Biotechnology Concentration)
 - Soil Ecology Concentration (<http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-ecology-concentration/>) (No new students are being admitted into this concentration. Students interested in this area of study should visit the Soil Science and Environmental Solutions Concentration)
 - Soil Restoration and Conservation Concentration (<http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-restoration-conservation-concentration/>) (No new students are being admitted into this concentration. Students interested in this area of study should visit the Sustainable Agricultural Management Concentration)

Minors

- Minor in Agroecosystems (<http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/agroecosystems-minor/>)
- Minor in Soil Resources and Conservation (<http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-resources-conservation-minor/>)
- Minor in Soil Science (<http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-science-minor/>)
- Organic Agriculture Interdisciplinary Minor (<http://catalog.colostate.edu/general-catalog/university-wide-programs/interdisciplinary-studies/organic-agriculture-interdisciplinary-minor/>)

Certificate

- Certificate in Seed Science and Technology (<http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/certificate-seed-science-technology/>)

Change of Major

- Reach out to Chris Amerman (Chris.Amerman@colostate.edu) to schedule an appointment to change your major/minor. A **Change of Major form** is electronically submitted by an advisor to the Registrar's Office
- Individualized Appointment with Advisor: Link for Scheduling (<https://calendly.com/socr-advising/advising-appointment/?month=2023-06>)
- Courses to take if you are interested in the programs include SOCR 100, SOCR 210, and SOCR 240.
- Students should ideally declare a major within the first two years, but exceptions can be made depending on their previous coursework.
