DEPARTMENT OF SOIL AND CROP SCIENCES

Undergraduate Majors

- Major in Soil and Crop Sciences (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major/)
  - Plant Biotechnology Concentration (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-plant-biotechnology-concentration/)
  - Soil Science and Environmental Solutions Concentration (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-science-environmental-solutions-concentration/)
  - Sustainable Agricultural Management Concentration (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-sustainable-agricultural-management-concentration/)
  - Agronomic Production Management Concentration (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-agronomic-production-management-concentration/) (No new students are being admitted into this concentration)
  - Applied Information Technology Concentration (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-applied-information-technology-concentration/) (No new students are being admitted into this concentration)
  - International Soil and Crop Sciences Concentration (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-international-concentration/) (No new students are being admitted into this concentration)
  - Plant Biotechnology, Genetics, and Breeding Concentration (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-plant-biotechnology-genetics-breeding-concentration/) (No new students are being admitted into this concentration. Students interested in this area of study should visit the Plant Biotechnology Concentration)
  - Soil Ecology Concentration (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-ecology-concentration/) (No new students are being admitted into this concentration. Students interested in this area of study should visit the Soil Science and Environmental Solutions Concentration)
  - Soil Restoration and Conservation Concentration (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-restoration-conservation-concentration/) (No new students are being admitted into this concentration. Students interested in this area of study should visit the Sustainable Agricultural Management Concentration)

- Plant Biotechnology Concentration (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-plant-biotechnology-concentration/)

- Soil Science and Environmental Solutions Concentration (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-science-environmental-solutions-concentration/)

- Sustainable Agricultural Management Concentration (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-sustainable-agricultural-management-concentration/)

- Agronomic Production Management Concentration (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-agronomic-production-management-concentration/) (No new students are being admitted into this concentration)

- Applied Information Technology Concentration (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-applied-information-technology-concentration/) (No new students are being admitted into this concentration)

- International Soil and Crop Sciences Concentration (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-international-concentration/) (No new students are being admitted into this concentration)

- Plant Biotechnology, Genetics, and Breeding Concentration (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-plant-biotechnology-genetics-breeding-concentration/) (No new students are being admitted into this concentration. Students interested in this area of study should visit the Plant Biotechnology Concentration)

- Soil Ecology Concentration (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-ecology-concentration/) (No new students are being admitted into this concentration. Students interested in this area of study should visit the Soil Science and Environmental Solutions Concentration)

- Soil Restoration and Conservation Concentration (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-crop-sciences-major-restoration-conservation-concentration/) (No new students are being admitted into this concentration. Students interested in this area of study should visit the Sustainable Agricultural Management Concentration)

Minors

- Minor in Soil Resources and Conservation (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-resources-conservation-minor/)
- Minor in Soil Science (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/soil-science-minor/)
- Organic Agriculture Interdisciplinary Minor (http://catalog.colostate.edu/general-catalog/university-wide-programs/interdisciplinary-studies/organic-agriculture-interdisciplinary-minor/)

Certificate

- Certificate in Seed Science and Technology (http://catalog.colostate.edu/general-catalog/colleges/agricultural-sciences/soil-crop-sciences/certificate-seed-science-technology/)
