

GRADUATE CERTIFICATE IN CORPORATE FINANCE

This certificate will provide a solid background in corporate finance for MBA students, working professionals and eligible students in other disciplines. Students will complete selected graduate level courses in finance and accounting. The accounting courses provide requisite financial literacy knowledge that is foundational for the other courses that hone financial acumen skills in financial decision making and valuation with an international focus.

Requirements Effective Spring 2022

Additional coursework may be required due to prerequisites.

Code	Title	Credits
