

CERTIFICATE IN OPERATIONS, LOGISTICS AND SUPPLY MANAGEMENT

The College of Business offers the Certificate in Operations, Logistics and Supply Management to business students. The certificate gives students expertise in the core areas of supply chain management (SCM) and prepares them for SCM careers. Companies seek employees able to mitigate risk in global supply chains, grasp the cost trade-offs inherent to various SCM activities, and build relationships with key trading partners. This certificate will give students the ability to add value through coordination of functions and firms.

Learning Objectives

This certificate provides real-world, hands-on learning experiences to prepare for decisions required for purchasing, producing, moving, and providing goods and services on a global basis.
