MAJOR IN INTERIOR ARCHITECTURE AND DESIGN

Major Completion Map

Distinctive Requirements for Degree Program:

First year students are identified as Pre-Interior Architecture and Design (IAD0). Students who qualify for the Selective Advancement Design Scenario must have **INTD 110** , INTD 129, INTD 166 and a cumulative reported GPA of 2.500 or better to participate. Approximately 40 students are selected to advance to the Second Year and majors are changed to Interior Architecture and Design (IARD-BS). The IARD-BS major is a cohort program - after students pass the Design Scenario, semesters 3, 4, 5, 6 ,7, and 8 are sequential.

All majors in the program must earn a minimum grade of C in the studio course sequence to advance to the next studio (i.e., INTD 210, INTD 276, INTD 310, INTD 376, INTD 410).

Students must complete a 12-credit internship prior to graduation. For students who are unable to participate in an internship, substitute experiences could include study abroad or elective courses or independent study (service learning) with advisor approval.

In addition to required courses in the major, students must complete a minimum of 9 credits from one of the following focus areas. These credits may be used to fulfill required courses in a certificate, minor, interdisciplinary minor, second major, or a focused group of courses approved by an advisor.

Focus Areas:

- Art History
- Business Administration
- Design Thinking
- Entrepreneurship
- Gerontology
- Global Environmental Sustainability
- Graphic Design
- Media Studies
- Merchandising
- Real Estate
- Psychology

Any minor or undergraduate certificate at CSU in these or other areas will satisfy for the aforementioned focus area requirement.

A minor in Construction Management **completed in full**, will satisfy for the aforementioned focus area requirement.
