

# GRADUATE CERTIFICATE IN POSTSECONDARY ACCESS AND SUCCESS PROGRAMS

---

The Graduate Certificate in Postsecondary Access and Success Programs is a five-course, 15-credit offering designed for those working or wanting to work in pre-college preparation programs and/or postsecondary academic and student support services. Often, these programs serve students traditionally underrepresented in higher education as socio-economically disadvantaged students.

Students learn:

- Organizational behavior
- Student development theory
- Foundations of postsecondary access and success programs
- Pre-college and postsecondary program models
- Postsecondary program practices

Learn more about the Graduate Certificate in Postsecondary Access and Success Programs on the CSU Online website (<https://www.online.colostate.edu/certificates/postsecondary-access/>).
