The School of Social Work offers a Bachelor of Social Work (BSW), Master of Social Work (MSW) and a Ph.D. in Social Work. Additionally, the school offers several graduate certificate programs to enhance training for specialized practice contexts.

Social work professionals are community problem solvers who assess and intervene on multiple levels including: organizational settings, communities, social service agencies, groups, individuals, and families. Social workers have social justice goals of enhancing health and well-being and promoting social, economic, and environmental justice.
