

GRADUATE CERTIFICATE IN GENDER, POWER AND DIFFERENCE

The Graduate Certificate in Gender, Power and Difference provides students with a solid foundation in feminist frameworks that address gender, power, and privilege. The graduate certificate should benefit students interested in feminist epistemologies, research, and pedagogy.

Learning Outcomes

Upon successful completion, students will demonstrate:

- 1) knowledge of academic disciplines from feminist and intersectional perspectives, and
- 2) effective understanding of feminist epistemology, methodology, and research.
