

INTERDISCIPLINARY MINOR IN AMERICAN SIGN LANGUAGE

The Interdisciplinary Minor in American Sign Language will increase students' proficiency in sign language and provide them with key tools for the workforce of the 21st century. Students are provided a solid foundation in the way Deaf culture, Deaf history and language accessibility intersect with power, equality and human connection. A minimum of 21 credits is required for the program.

Requirements Effective Fall 2021

Students must satisfactorily complete the total credits required for the minor. Minors and interdisciplinary minors require 12 or more upper-division (300- to 400-level) credits.

Additional coursework may be required due to prerequisites.
