The Bachelor of Arts in Music (B.A.) allows students to study music within a larger context of a liberal arts education. In comparison to the curriculum leading to the Bachelor of Music (B.M.), less emphasis is placed on studies specifically in music, with greater flexibility for studies outside of music. In lieu of a larger number of credits in music as required for the B.M., the B.A. student completes 21 elective credits in areas outside of music. In addition, the completion of a capstone paper, project, or recital (half recital) is required during the senior year.

## Program-level Learning Objectives

- Hear, identify, and work conceptually with elements of music such as rhythm, melody, harmony, structure, timbre, and texture through composition, improvisation, and performance in multiple musical styles.
- Develop and defend musical judgments and demonstrate a synthesis of knowledge and/or skills in one or more areas of music.
- Articulate knowledge of a wide selection of musical literature, the principal eras, genres, and cultural sources.
- As part of a well-rounded liberal arts program, B.A. in Music majors are also expected to think, speak, and write clearly, and effectively address and defend diverse cultural, historical, moral, scientific, and ethical issues (both orally and in written form) in subject matter related to music, other art forms, and outside disciplines.

## Music Audition

In addition to applying to CSU through the Office of Admissions, a successful audition with CSU Music faculty is required for entrance into the B.A. in Music. Please visit the music website for Music Audition Information (<https://music.colostate.edu/admissions/undergrad-apply/>).

## Music Program Fee

A music program fee is assessed with undergraduate and graduate music majors and minors, per semester. The fee does not apply to the following students: online degree students, summers-only master's degree students, music therapy students in an internship off-campus, music education students who are student teaching off-campus, and music minors who are not actively enrolled in any lessons or ensembles. Please visit the (<https://provost.colostate.edu/students/>)Office of the Provost and Executive Vice President for special course fees.
