

MINOR IN FORESTRY

The minor in Forestry provides students with the opportunity to obtain exposure to forest sciences. It provides insight into the management of forested lands and is particularly appropriate for students majoring in other natural resource disciplines or natural sciences.

To get more information about this minor or to officially declare it, please visit the Warner College of Natural Resources Undergraduate Student Advising website (<https://warnercnr.colostate.edu/advising/>) to make an appointment with an advisor.
