

MUSIC, STAGE, AND SPORTS PRODUCTION INTERDISCIPLINARY MINOR

Office in Clark Building, Room C244

(970) 491-6310

journalism.colostate.edu (<http://journalism.colostate.edu>)

This interdisciplinary minor serves students who seek a broad foundation in creating television and audio recordings of events.

Upon successful completion of this minor, students will have a broad foundation in creating television and audio recordings of events. Students learn theory and gain hands-on experience in all aspects of the production process, both in studio and on location. This includes operating television cameras and audio equipment; designing appropriate lighting and audio environments; directing live recordings; and finishing projects with audio and video editing.
